WHAT I'M LOOKING FOR

When I'm looking at colleges, I really only care about two main things: getting a great business degree and making sure it's affordable.
My plan is to major in business, accounting, or finance, so I want a school with solid programs, good professors, and strong job placement after graduation. Location, campus size, and school culture don't really matter to me—I'm just focused on getting a quality education and settin
